**10. Disclaimer**

10.1. A boat ("it's helm and crew") is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else reduces this responsibility.

10.2. It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching the boat confirms that she is fit for those conditions and that her crew is competent to sail and compete in them.

10.3. Nothing done by the organisers can reduce the responsibility of the boat, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, patrol boats and beachmaster(s).

10.4. The provision of patrol boats does not relieve a boat of her responsibilities.

10.5 The fact that the race committee conducts inspections of a boat does not reduce the responsibilities of the boat set out in this NoR.

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2,000,000 (two million pounds).
