

Waldringfield Sailing Club

Established 1921

Club racing begins Saturday 19th March 2022

Message from the COVID team - March 2022

On 24 February, the UK government ended any remaining legal coronavirus restrictions in England. This included the requirement to self-isolate being removed.

However, as you will be aware, this virus has not gone away and there is still a significant risk of passing on infection (albeit with a now much reduced risk of serious illness).

If you test positive or have symptoms of Covid:

Please do not come to the Club. If you are due to undertake a DutyMan Duty, please arrange a swap using the DutyMan swap facility on the right-hand side of the Duty Roster page.

At the Club:

Face Masks: It is an individual's choice whether to wear a face mask or not.

Changing rooms and showers: These are fully open but please change and leave so that the rooms do not get crowded.

Galley and Bar: Normal service, with tables inside and outside.

The Club will ensure that good ventilation is maintained. Members have a responsibility to keep windows and/or doors open as appropriate and to avoid crowding where possible. Changing room doors will be kept closed for security reasons.
